

# Free training

## COOL TOOLS FOR PARENTS WITH KIDS IN SCHOOL!

iPads and iTouches are everywhere and kids think they are so cool, they won't even know they are learning! Come learn about some AWESOME, **free or almost free** apps that can assist your child with skills they are developing in school as well as supports for home and community. Please note the focus of app demonstration will be for students with special needs. We will also share free websites that will engage and motivate your child while he/she is learning and be a great resource for you!

**When:** *Friday, March 16, 2012*

**Where:** *This workshop will be offered at 2 locations:*

**\*Session #1** – Pekin Community High School at 1903 Court Street, Pekin, IL 61554 from 3:00pm-4:00pm

(Directions: Go up the hill and enter under the canopy doors on the right side. This workshop will take place in the Library.)

**\*Session #2** – Morton District 709 Administrative Building at 1050 S. 4<sup>th</sup> Ave., Morton, IL 61550 from 6:00pm-7:00pm

(Directions: Enter through the doors closest to Grundy Elementary – Greenwood Street. This workshop will be downstairs on the lower level.)

**\*Note:** All workshop participants must register for this **FREE** training by **contacting:**

**Pam Schibli @ 708-444-8460 x 249**
