5:90 Abused and Neglected Child Reporting

Any Cooperative employee who suspects or receives knowledge that a student may be an abused or neglected child or, for a student aged 18 through 22, an abused or neglected individual with a disability, shall: (1) immediately report or cause a report to be made to the Ill. Dept. of Children and Family Services (DCFS) on its Child Abuse Hotline 1-800-25-ABUSE (1-800-252-2873)(within Illinois); 1-217-524-2606 (outside of Illinois); or 1-800-358-5117 (TTY), and (2) follow directions given by DCFS concerning filing a written report within 48 hours with the nearest DCFS field office. Any Cooperative employee who believes a student is in immediate danger of harm, shall first call 911. The employee shall also promptly notify the Director or Program Coordinator that a report has been made. The Director or Program Administrator shall immediately coordinate any necessary notifications to the student's parent(s)/guardian(s) with DCFS, the applicable school resource officer (SRO), and/or local law enforcement.

Negligent failure to report occurs when a Cooperative employee personally observes an instance of suspected child abuse or neglect and reasonably believes, in his or her professional or official capacity, that the instance constitutes an act of child abuse or neglect under the Abused and Neglected Child Reporting Act (ANCRA) and he or she, without willful intent, fails to immediately report or cause a report to be made of the suspected abuse or neglect to DCFS.

Any Cooperative employee who discovers child pornography on electronic and information technology equipment shall immediately report it to local law enforcement, the National Center for Missing and Exploited Children's CyberTipline 1-800-THE-LOST (1-800-843-5678) or online at report.cybertip.org/ or www.missingkids.org. The Director or Program Administrator shall also be promptly notified of the discovery and that a report has been made.

Any Cooperative employee who observes any act of hazing that does bodily harm to a student must report that act to the Program Administrator, Director, or designee who will investigate and take appropriate action. If the hazing results in death or great bodily harm, the employee must first make the report to law enforcement and then to the Director or Program Administrator. Hazing is defined as any intentional, knowing, or reckless act directed to or required of a student for the purpose of being initiated into, affiliating with, holding office in, or maintaining membership in any group, organization, club, or athletic team whose members are or include other students.

Abused and Neglected Child Reporting Act (ANCRA), School Code, and *Erin's Law* Training

The Director or designee shall provide staff development opportunities for Cooperative employees in the detection, reporting, and prevention of child abuse and neglect.

All Cooperative employees shall:

1. Before beginning employment, sign the *Acknowledgement of Mandated Reporter Status* form provided by DCFS. The Director or designee shall ensure that the signed forms are retained.
2. Complete mandated reporter training as required by law within three months of initial employment and at least every three years after that date.
3. Complete an annual evidence-informed training related to child sexual abuse, grooming behaviors, and boundary violations as required by law and policy 5:100, *Staff Development Program*.

Alleged Incidents of Sexual Abuse: Investigations

An alleged incident of sexual abuse is an incident of sexual abuse of a child, as defined in 720 ILCS 5/11-9.1A, that is alleged to have been perpetrated by school personnel, including a school vendor or volunteer, that occurred: on school grounds during a school activity; or outside of school grounds or not during a school activity.

If a Cooperative employee reports an alleged incident of sexual abuse to DCFS and DCFS accepts the report for investigation, DCFS will refer the matter to the local Children's Advocacy Center (CAC). The Director or designee will implement procedures to coordinate with the CAC.

DCFS and/or the appropriate law enforcement agency will inform the Cooperative when its investigation is complete or has been suspended, as well as the outcome of its investigation. The existence of a DCFS and/or law enforcement investigation will not preclude the Cooperative from conducting its own parallel investigation into the alleged incident of sexual abuse in accordance with policy 7:20, *Harassment of Students Prohibited*.

Special Director Responsibilities

The Director shall execute the requirements in policy 5:150, *Personnel Records*, whenever another Cooperative requests a reference concerning an applicant who is or was a Cooperative employee and was the subject of a report made by a Cooperative employee to DCFS.

When the Director has reasonable cause to believe that a license holder committed an intentional act of abuse or neglect with the result of making a child an abused child or a neglected child under ANCRA, and that act resulted in the license holder's dismissal or resignation from the Cooperative, he or she shall notify the State Superintendent and the Regional Superintendent in writing, providing the Ill. Educator Identification Number as well as a brief description of the misconduct alleged. The Director must make the report within 30 days of the dismissal or resignation and mail a copy of the notification to the license holder.

Special Policy Board/Executive Committee Member Responsibilities

Each individual Policy Board or Executive Committee member must, if an allegation is raised to the member during an open or closed Board or Committee meeting that a student is an abused child as defined in ANCRA, direct or cause the Board or Committee to direct the Director or other equivalent school administrator to comply with ANCRA's requirements concerning the reporting of child abuse.

If the Policy Board or Executive Committee determines that any Cooperative employee, other than an employee licensed under 105 ILCS 5/21B, has willfully or negligently failed to report an instance of suspected child abuse or neglect as required by ANCRA, the Policy Board or Executive Committee may dismiss that employee immediately.

When the Policy Board or Executive committee learns that a licensed teacher was convicted of any felony, it must promptly report it to the State agencies listed in policy 2:20, *Powers and Duties of the Policy Board*.
