### **8:20 Community Use of School Facilities**

School facilities are available to community organizations during non-school hours when such use does not: (1) interfere with any school function or affect the safety of students or employees, or (2) affect the property or liability of the Cooperative. The use of school facilities for school purposes has precedence over all other uses. The Cooperative reserves the right to cancel previously scheduled use of facilities by community organizations and other groups. The use of school facilities requires the prior approval of the Director or designee and is subject to applicable procedures.

Persons on school premises must abide by the Cooperative's conduct rules at all times.

Student groups, school-related organizations, government agencies, and non-profit organizations are granted the use of school facilities at no costs during regularly staffed hours. Fees and costs shall apply during non-regularly staffed hours and to other organizations granted use of facilities at any time. A fee schedule and other terms of use shall be prepared by the Director and be subject to annual approval by the Executive Committee.

The requestor must complete the application for rental of Schramm Educational Center and agree to abide by the procedures for use of the center.
