Annual Notification Regarding Assistive Technology Pursuant to 105 ILCS 5/14-8.02

The IEP team must consider whether the student requires assistive technology to receive a free and appropriate public education. Please see the "Consideration of Special Factors" section of the IEP regarding assistive technology considerations. Illinois operates the Illinois Assistive Technology Program ("IATP").

Illinois Assistive Technology Program (IATP) is a not for profit agency that promotes the availability of assistive technology (AT) services and programs for people with disabilities. IATP serves all people with disabilities in the state of Illinois regardless of age or income, their families, service providers, state agencies, educators and other interested individuals.
