

Tazewell-Mason Counties Special Education Association Professional Development Presentation

**Please Distribute To Target Audience:
General and Special Education Teachers**

Chromebooks 1 & 2 Series Presented by Wendelin Consulting Group

Chromebooks 1

This is an introduction course where participants will learn the basics of Chromebooks including the ChromeOS, Chrome Apps, and structuring classroom use for students of all abilities. Accessibility options will also be covered.

Chromebooks 2

This course will dive deep into designing lesson for a 1:1 environment using the principles of UDL. Personalized learning, accessibility and collaboration tools will be part of this course.

Class size is limited to six (6) participants
Attendees must attend both sessions & bring a Wi-Fi accessible device
Morning sessions are from 8:00-11:00am
Afternoon sessions are from 12:00-3:00pm
All trainings will be held at Wendelin Consulting Group, 1532 N. 8th Street, Pekin

Choose only one option! For registration contact Terrie Schappaugh at 309/347-5164 x 325.
