

Tazewell-Mason Counties Special Education Association Professional Development Presentation

**Please Distribute To Target Audience:
General and Special Education Teachers**

Google Suite 1 & 2 Series Presented by Wendelin Consulting Group

Google Suite 1

This introductory course will include learning the basics of Google Suite. Topics will include using the collaborative aspects of Google Drive, Docs, Sheets, Slides and Forms to support diverse learners.

Google Suite 2

This is a more in depth look at the G-Suite applications and adding Google Classroom to help you manage your digital classroom and support developing executive functioning skills in your students. Participants will use UDL principals to design lessons.

**Class size is limited to six (6) participants
Attendees must attend both sessions & bring a Wi-Fi accessible device
Morning sessions are from 8:00-11:00am
Afternoon sessions are from 12:00-3:00pm
All trainings will be held at Wendelin Consulting Group, 1532 N. 8th Street, Pekin**

Choose only one option! For registration contact Terrie Schappaugh at 309/347-5164 x 325.
