

OPERATIONAL SERVICES

4:160 Environmental Quality of Buildings and Grounds

The Director shall take all reasonable measures to protect: (1) the safety of Cooperative personnel, students, and visitors on Cooperative premises from risks associated with hazardous materials and (2) the environmental quality of the Cooperative's buildings and grounds. The Cooperative employs an integrated pest management system for its building and grounds.

The Director shall notify all employees who must be offered, according to State or federal law, Cooperative-paid hepatitis B vaccine and vaccination.
