

# Tazewell-Mason Counties Special Education Association Professional Development Presentation

**Please Distribute To Target Audience:  
General and Special Education Teachers**

## **Smartboard 1 & 2 Series Presented by Wendelin Consulting Group**

### Smartboards 1

This is an introduction to interactive whiteboards. Basics of software use, hardware issues and designing simple lessons with access for all learners will be discussed.

### Smartboards 2

This is a follow-up training to the first session and covers advance use of interactive whiteboards. Participants will design lessons for all students based on Universal Design for Learning (UDL) principals

**Class size is limited to six (6) participants  
Attendees must attend both sessions & bring a Wi-Fi accessible device  
Morning sessions are from 8:00-11:00am  
Afternoon sessions are from 12:00-3:00pm  
All trainings will be held at Wendelin Consulting Group, 1532 N. 8<sup>th</sup> Street, Pekin**

**Choose only one option! For registration contact Terrie Schappaugh at 309/347-5164 x 325.**
