The vision of the Illinois School for the Visually Impaired is to provide a quality comprehensive education and serve as a statewide resource to students in Illinois with visual impairments assisting them in becoming personally productive and self-sufficient citizens.

The Illinois School for the Visually Impaired (ISVI), established in 1849, is a residential/day school for students who are blind or visually impaired. ISVI provides accredited educational and related services for children from birth to twenty-two years of age.

All educational and social programs are designed to prepare students for successful living as independent, self-supporting citizens.

Programs, activities and employment opportunities in the Illinois Department of Human Services are open and accessible to any individual or group without regard to age, sex, race, sexual orientation, disability, ethnic origin, or religion. The department is an equal opportunity employer and practices affirmative action and reasonable accommodation programs.

To Request ISVI Camp Registration Forms, complete **both** sides of this form.

Mail to: Summer Camp-2020 Illinois School for the Visually Impaired, 658 East State Street,
Jacksonville, IL 62650

Student Name: _____ Date of Birth: _____ - _____ - _____ M or F

Parent Name: _____

Street Address: _____ City: _____ Illinois Zip: _____

Purpose

The Illinois School for the Visually Impaired (ISVI) camps will bring together students who are blind and visually impaired from schools throughout Illinois for a week-long learning adventure. Each camp will present an overview of current trends in an area of concentration.

Cost

There will be a fee of \$15. No student shall be denied an opportunity to attend camp solely for an inability to pay. Scholarships are available by calling Barbi Ballard at 479-4447.

Where & When

Three one-week camps will be held June 14-20, 2020. All camps will be held on the ISVI campus in Jacksonville, Illinois, west of Springfield on Interstate 72.

Who May Attend

Students who are visually impaired, ages 9–19, are eligible to attend the camps if they reside in Illinois, do not currently attend ISVI, are not high school graduates, and have appropriate independent living skills.

Transportation

Families are responsible for providing transportation to and from the camps.

Tours

Tours will be available following the program on June 20th. Please call 217-479-4404 if you would like to tour the campus.

Note: A physical is required and must be dated within 12 months of application.

Let us help you Launch into your future! Explore ways to bring STEM & Transition activities to life. Students will engage in exciting learning activities throughout the day and enjoy evening recreational activities, such as swimming, field trips and outdoor recreation.

Junior STEM Camp

Ages 9-12
(Space is limited)

Engage in team building activities that apply STEM skills. Discover and experience these concepts through games, building with 3D materials and music.

STEM Camp:

Ages 12-16
(Space is limited)

Students will problem solve strategies using math and science skills, integrating technology and engineering with the use of robotics and team building activities.

Transition to Independence

Ages 16-19
(Space is limited)

Plan your future by learning independent living skills that promote successful transition to adulthood through nutrition, fitness, technology, employment skills, and recreation.
