RE: Annual Asbestos Management Plan Notice  
FROM: Kristina D. Neville, Superintendent/Director

This is to inform you of the status of Tazewell-Mason Counties Special Education Association (TMCSEA) asbestos management plan(s). It has been determined by the Illinois Department of Public Health and the federal Environmental Protection Agency that asbestos is a potential health hazard, and precautions should be taken to avoid disturbing any asbestos containing materials.

As required, our building(s) was/were initially inspected for asbestos. Our inspection was conducted on **September 14, 2023**. The AHERA law requires that a visual surveillance of asbestos containing areas be completed every six months, and a re-inspection conducted every three years. Any evidence of disturbance or change in condition will be documented in the management plan as required.

The inspection/management plan is available for public review in the **Administrative Office**. If you wish to review the plans, please call to make an appointment between **8:00am to 4:00pm**. Any concerns relative to asbestos containing materials should be directed to **Kristina Neville, Superintendent/Director** at **300 Cedar Street, Pekin, IL 61554, 309/347-5164**.
